US TAXATION

JOB-READY CERTIFICATION

#hands on practical training

Build in-demand U.S. taxation expertise and unlock global career opportunities with structured, practical learning.

Lakshya Edu is more than a commerce coaching institute — it is a commitment to shaping confident, capable, and future-ready professionals.

With experienced faculty, structured learning systems, and student-focused mentorship, Lakshya empowers learners to build strong professional foundations, and achieve lasting career success.

Vision

To be a leading Professional Institution that caters the needs for both society & Industry. Identify hidden talents, provide opportunities for students to realize their full potential. Thus shape them into future Professionals, entrepreneurs and above all good human beings.

Mission

Create an ambiance from which the Entrepreneurs and global professionals of tomorrow emerge.

Address problems faced by the nation and the world through the talent we nurture and the expertise we provide.

Provide an education that transforms students through rigorous coursework. Also, provide an understanding of the needs of society and industry.

Collaborate with other academic institutes around the world to strengthen the education ecosystem.

Be Job-Ready, Not Just Exam-Ready

High Demand Global Opportunities.

With U.S. tax work increasingly outsourced to India, professionals with practical U.S. taxation skills are in strong demand across Big 4 firms, global KPOs, and U.S. accounting practices.

Practical training helps you:

Reduce errors and ensure accurate compliance

Work efficiently with U.S. tax software and tools

Understand how tax laws are applied in real cases

Meet employer expectations in Big 4, MNCs, and U.S. tax firms

Introduction to Individual Taxation

Overview of U.S. individual tax laws, tax residency rules, and governing authorities. Coverage includes taxation of foreign nationals, expats, and strategic tax planning across all income levels.

International Filing Compliance

Comprehensive understanding of international reporting requirements including FBAR, FATCA, foreign mutual funds, and shareholding in non-U.S. corporations, with practical compliance scenarios.

Business Entities & Formation

Introduction to forming business entities across various U.S. states, including entity selection, registration process, and an overview of federal and state tax and legal compliances.

Partnership Taxation

Detailed coverage of partnership taxation, including filing Form 1065, allocation of profits and losses, partner capital accounts, and practical compliance-focused case studies.

S Corporation (S-Corp) Taxation

In-depth understanding of S-Corporation taxation, filing Form 1120S, officer compensation, distributions, payroll implications, and tax optimization strategies.

C Corporation (C-Corp) Taxation

Overview of C-Corporation tax structure, double taxation, filing Form 1120, and practical examples for corporate tax planning and compliance

Practical Tax Compliance Scenarios

Hands-on exposure to real-world tax filing situations, error handling, compliance checks, and end-to-end workflow simulations followed by evaluation.

Career Pathways & Certification

Assessment-based learning with guidance on placements in U.S. tax firms or starting an independent U.S. taxation practice, along with certification upon successful completion.

Live Training by U.S. Experts

Learn directly from experienced U.S. taxation professionals based in the United States.

Faculty from a U.S. Tax Firm

Get trained by practitioners working with leading U.S. firms, bringing real-world insights into every session.

Real-Time, Interactive Classes

All sessions are conducted live, enabling direct interaction, case discussions, and practical demonstrations.

Hands-On Filing Guidance

Receive step-by-step practical exposure to accurate U.S. tax filings and compliance processes.

Job-Ready Skill Development

Work with industry-standard U.S. tax software to confidently manage tax filings and documentation. 🖐️

Learn efficient tax-filing processes for both individuals and businesses. 🖐️
